

Product Review Application Form

General Information

This form is used to request approval for a product to be included in the City of Regina's Approved Products List. Information submitted on this form will be used to examine and assess new products that may be suitable for use in the City of Regina.

Complete this form in full, in order to be considered for product approval. Please ensure the following is contained in the application package:

- Completed Product Approval Application Form.
- Supporting documentation, which may include shop drawings, technical specifications, installation and maintenance literature, photos, brochures, etc.
- Product sample(s)*.
- Third-party certification confirming compliance with current industry standards.

Submit your application, including all supplementary materials, via email to: productreviews@regina.ca

or mail to: **Infrastructure Delivery** Branch

City of Regina
2476 Victoria Avenue
PO Box 1790
Regina, SK S4P 3C8

Attention: Product Reviews

- * Prior to sending product samples or if you require additional information on product reviews, please contact the City of Regina by email to: productreviews@regina.ca
