Process	
Review/ Decision	<p>Following the public and technical review process, which is currently underway, the Administration will submit a report to the <u>decision authority</u>, which will include a summary of the public comments, as well as Administration’s recommendation.</p> <p>The decision authority respecting Zoning Bylaw amendments is the Regina City Council. Applications directed to City Council will be considered, first, by the Regina Planning Commission (RPC) who will then provide a recommendation to City Council.</p> <p>Both the RPC and City Council meetings are open to the public; therefore, you may attend these meetings and view the deliberation, or speak directly to the RPC or City Council. Please refer to the Application Review Process on back of page.</p> <p>If you wish to be kept informed about the date and time of these meetings, be sure to give the City your contact information.</p>
