

Victoria Avenue Beautification Project

Victoria Avenue between Albert Street and Broad Street

- **Phase I** – Albert Street to Cornwall Street (2019)
- **Phase II** – Cornwall Street to Broad Street (2020)

\$6 million investment over two years, including:

- Domestic sewer relining and repairs
- Six intersection improvements including curb extensions for pedestrian safety
- Wider sidewalks and boulevards
- Installation of 79 ornamental trees
- Black powder coated signal poles
- A palette of paving, lighting, banners and furnishings distinctive to downtown

City of Regina
